Message from the Chair,
Dr. Juan Carlos Zúñiga-Pflücker

We are now entering reclass/qualifying exam season, with this in mind, I want to encourage our 2nd year graduate students to have their proposals approved and submitted on time, and thank our faculty, in particular members of the graduate committee, for making time to read the proposals and participate in the examination process.

Once again, in case you do not have a Maypole to decorate or dance around, and since Moscow’s Red Square is not what it used to be on May 1st (although it may soon be again), please take the time to instead come and listen to our IMM450 4th year research project presentations, see the details below.

As you will see below, we now know who will be leading IMMSA next year, so to the incoming new undergraduate executive, Congratulations, I look forward to working with you. To the retiring IMMSA council, Thanks for a terrific year, Lucy and Heng you were both exceptional co-presidents.

As pointed out by IGSA, our next Departmental Retreat will be on June 17th-18th, this is a great opportunity for postdocs in the department to present their work and for some of our senior graduate students and faculty to showcase their recent findings.

Lastly, please note the call for nomination for the 2nd annual BD-Biosciences Immunology Post-Doctoral Lecture Prize, details below.

DEADLINES/REMINDERS

April/May 2014 (Reclassifying and Qualifying students): Your supervisor and each member of your supervisory committee will need to submit a Reclassification / Qualifying Approval Form. You also need to suggest examiners by filling out an Examining Committee Pre-approval Form – to be approved by the Graduate Coordinator. These forms must be submitted 4 weeks prior to your proposed exam date. The Graduate Office will then contact your proposed examiners and make arrangements for the exam according to the date you and your committee have chosen.

IMM450Y 2013-14 Final Research Presentations

Please join us for the final research presentations of the 2013-14 IMM450Y class on Thursday, May 1st in MS7231. Coffee will be served at 9:15am, and presentations begin at 9:30am. Supervisors and lab members are invited to celebrate with the students at a reception in MS7231 at 4:30pm. For a detailed schedule of the presentations, please email undergraduate.immunology@utoronto.ca.

IGSA

Hello Immunologists!

We would like to remind everyone in the departmental retreat is coming up in June and that registration will be open this week. Make sure to register! You won't want to miss it!

Planning for the retreat video is underway - if you are interested in being a part of the video please let IGSA know! We will be sending out calls for actors/producers/editors so please be sure to reply if you're interested.

Take care and happy spring!
